IRS contact information

If you have questions regarding qualifications for an offer in compromise, please call our toll-free number at 1-800-829-1040. You can get forms and publications by calling 1-800-TAX-FORM (1-800-829-3676), by visiting your local IRS office, or at www.irs.gov.

If you want to see if you qualify for an offer before filling out the paperwork, you may use the Offer in Compromise Pre-Qualifier tool. The questionnaire format assists in gathering the information needed and provides instant feedback as to your eligibility based on the information you provided. The tool will also assist you in determining a preliminary offer amount for consideration of an acceptable offer. The Pre-Qualifier tool is located on our website at www.irs.gov (keyword "offer").

Taxpayer resources

The Taxpayer Advocate Service (TAS) is your voice at the IRS. They help taxpayers whose problems with the IRS are causing financial difficulties; who have tried but haven't been able to resolve their problems with the IRS; and those who believe an IRS system or procedure isn't working as it should. If you believe you're eligible for TAS assistance, call toll-free 1-877-777-4778. For more information, go to www.irs.gov/advocate.

You may also be able to get assistance from a Low Income Taxpayer Clinic (LITC). LITCs serve individuals whose income is below a certain level and who need to resolve tax problems such as audits, appeals, and tax collection disputes. Some clinics can provide information about taxpayer rights and responsibilities in different languages for individuals who speak English as a second language. www.TaxpayerAdvocate.irs.gov or IRS Publication 4134, Low Income Taxpayer Clinic List.

WHAT YOU NEED TO KNOW

What is an Offer?

An offer in compromise (offer) is an agreement between you (the taxpayer) and the IRS that settles a tax debt for less than the full amount owed. The offer program provides eligible taxpayers with a path toward paying off their tax debt and getting a “fresh start.” The ultimate goal is a compromise that suits the best interest of both the taxpayer and the IRS. To be considered, generally you must make an appropriate offer based on what the IRS considers your true ability to pay.

Submitting an application does not ensure that the IRS will accept your offer. It begins a process of evaluation and verification by the IRS, taking into consideration any special circumstances that might affect your ability to pay.

This booklet will lead you through a series of steps to help you calculate an appropriate offer based on your assets, income, expenses, and future earning potential. The application requires you to describe your financial situation in detail, so before you begin, make sure you have the necessary information and documentation.

Are You Eligible?

Before your offer can be considered, you must (1) file all tax returns you are legally required to file, (2) make all required estimated tax payments for the current year, and (3) make all required federal tax deposits for the current quarter if you are a business owner with employees.

Bankruptcy

If you or your business is currently in an open bankruptcy proceeding, you are not eligible to apply for an offer. Any resolution of your outstanding tax debts generally must take place within the context of your bankruptcy proceeding.

If you are not sure of your bankruptcy status, contact the Centralized Insolvency Operation at 1-800-973-0424. Be prepared to provide your bankruptcy case number and/or Taxpayer Identification Number.

Can You Pay in Full?

Generally, the IRS will not accept an offer if you can pay your tax debt in full through an installment agreement or a lump sum.

Note: Adjustments or exclusions, such as allowance of \$1,000 to a bank balance or \$3,450 against the value of a car, are not applied until it is determined that you cannot pay your tax debt in full through an installment agreement and/or equity in assets.

Your Future Tax Refunds

The IRS will keep any refund, including interest, for tax periods extending through the calendar year that the IRS accepts the offer. For example, if your offer is accepted in 2014 and you file your 2014 Form 1040 on April 15, 2015 showing a refund, IRS will apply your refund to your tax debt. The refund is not considered as a payment toward your offer.

Doubt as to Liability

If you have a legitimate doubt that you owe part or all of the tax debt, you will need to complete and submit a **Form 656-L, Offer in Compromise (Doubt as to Liability)**. The Form 656-L is not included as part of this package. To request a Form 656-L, visit www.irs.gov or a local IRS office or call toll-free 1-800-TAX-FORM (1-800-829-3676).

Notice of Federal Tax Lien

A lien is a legal claim against all your current and future property. When you don't pay your first bill for taxes due, a lien is created by law and attaches to your property. A Notice of Federal Tax Lien (NFTL) provides public notice to creditors and is filed to establish priority of the IRS claim versus the claims of other creditors. The IRS may file an NFTL during the offer investigation. However, an NFTL will usually not be filed until a final determination has been made on your offer.

Note: A Notice of Federal Tax Lien (NFTL) will not be filed on any individual shared responsibility payment.

Trust Fund Taxes

If your business owes trust fund taxes, responsible individuals may be held liable for the trust fund portion of the tax. You are not eligible to submit an offer unless the trust fund portion of the tax is paid **or** the Trust Fund Recovery Penalty determinations have been made on all potentially responsible individual(s). Trust fund taxes are the money withheld from an employee's wages, such as income tax, Social Security, and Medicare taxes.

Other Important Facts

Penalties and interest will continue to accrue during the offer evaluation process. Individual shared responsibility payments are not subject to penalties.

After you file your offer, you must continue to timely file and pay all required tax returns, estimated tax payments, and federal tax payments through the final decision. If your offer is accepted, you must continue to stay current with all tax filing and payment obligations through the fifth year after your offer is accepted (including any extensions).

Do not send in an offer until you have received at least one bill for any tax debt(s) you are including in your offer.

An offer cannot be accepted for processing if the IRS has referred your case, or cases, involving all of the liabilities identified in the offer to the Department of Justice (DOJ). In addition, the IRS cannot compromise any restitution amount ordered by a court or a tax debt that has been reduced to judgment.

The law requires the IRS to make certain information from accepted offers available for public inspection and review. These public inspection files are located in designated IRS Area Offices.

The IRS may levy your assets up to the time that the IRS official signs and acknowledges your offer as pending. In addition, the IRS may keep any proceeds received from the levy. If your assets are levied after your offer is pending, immediately contact the IRS person whose name and phone number is listed on the levy.

If you currently have an approved installment agreement, you will not be required to make payments during the consideration of your offer. If your offer is not accepted and you have not incurred any additional tax debt, your installment agreement with the IRS will be reinstated with no additional fee.

PAYING FOR YOUR OFFER

Application Fee

Offers require a \$186 application fee.

EXCEPTION: If you are an individual or are operating as a sole proprietorship and your household gross income meets the Low Income Certification guidelines, you will not be required to send the application fee.

Payment Options

You must select a payment option and include the payment with your offer. The amount of the initial payment and subsequent payments will depend on the total amount of your offer and which of the following payment options you choose:

Lump Sum Cash: This option requires 20% of the total offer amount to be paid with the offer and the remaining balance paid in 5 or fewer payments within 5 or fewer months of the date your offer is accepted.

Periodic Payment: This option requires the first payment with the offer and the remaining balance paid within 6 to 24 months, in accordance with your proposed offer terms. **Under this option, you must continue to make monthly payments while the IRS is evaluating your offer. Failure to make these payments will cause your offer to be returned. There is no appeal. Total payments must equal the total offer amount.**

EXCEPTION: If you are an individual or are operating as a sole proprietorship and your household income meets the Low Income Certification guidelines, you will not be required to send the initial payment or make the monthly payments during the evaluation of your offer.

All payments sent in with your offer and made during consideration of the offer will be applied to your tax debt. The payments cannot be refunded unless you pay more than the required payment and designate it as a deposit.

If you do not have sufficient cash to pay for your offer, you may need to consider borrowing money from a bank, friends, and/or family. Other options may include borrowing against or selling other assets.

Note: You may not pay your offer amount with an expected or current tax refund, money already paid, funds attached by any collection action, or anticipated benefits from a capital or net operating loss. If you are planning to use your retirement savings from an IRA or 401k plan, you may have future tax liabilities owed as a result. Contact the IRS or your tax advisor before taking this action.

HOW TO APPLY

Application Process

The application **must include:**

- **Form 656**, Offer in Compromise
- **Completed Form 433-A (OIC)**, Collection Information Statement for Wage Earners and Self-Employed Individuals, if applicable
- **Completed Form 433-B (OIC)**, Collection Information Statement for Businesses, if applicable
- **\$186 application fee**, unless you meet Low Income Certification
- **Initial offer payment**, unless you meet Low Income Certification

Note: Your offer(s) cannot be considered without the completed and signed collection information statement(s), Form 433-A (OIC) and/or 433-B (OIC).

If You and Your Spouse Owe Joint and Separate Tax Debts

If you have joint tax debt(s) with your spouse and one of you also has separate tax debt(s), you and your spouse will need to send in one Form 656 with all of the joint tax debt(s) and a second Form 656 with the separate tax debt(s), for a total of two Forms 656.

If you and your spouse have joint tax debt(s) and you are also each responsible for separate tax debt(s), you will each need to send in a separate Form 656. You will complete one Form 656 for yourself listing all your joint and separate tax debts and your spouse will complete one Form 656 listing all his or her joint and separate tax debts, for a total of two Forms 656.

If you and your spouse or ex-spouse have a joint tax debt and your spouse or ex-spouse does not want to be part of the offer, you on your own may submit a Form 656 to compromise your responsibility for the joint tax debt.

Each Form 656 will require the \$186 application fee and initial down payment unless you are an individual or are operating as a sole proprietorship and meet the Low Income Certification guidelines.

If You Owe Individual and Business Tax Debt

If you have individual and business tax debt that you wish to compromise, you will need to send in two Forms 656. Complete one Form 656 for your individual tax debts and one Form 656 for your business tax debts. Each Form 656 will require the \$186 application fee and initial down payment.

Note: A business is defined as a corporation, partnership, or any business that is operated as other than a sole-proprietorship. An individual's share of a partnership debt will not be compromised. The partnership must submit an offer based on the partnership's and partners' ability to pay.

COMPLETING THE APPLICATION PACKAGE

Step 1 – Gather Your Information

To calculate an offer amount, you will need to gather information about your financial situation, including cash, investments, available credit, assets, income, and debt.

You will also need to gather information about your average gross monthly household income and expenses. The entire household includes all those in addition to yourself who contribute money to pay expenses relating to the household; for example, rent, utilities, insurance, groceries, etc. This is necessary for the IRS to accurately evaluate your offer.

In general, the IRS will not consider expenses for tuition for private schools, college expenses, charitable contributions, and other unsecured debt payments as part of the expense calculation.

Step 2 – Fill out Form 433-A (OIC), Collection Information Statement for Wage Earners and Self-Employed Individuals

Fill out Form 433-A (OIC) if you are an individual wage earner and/or operate as a sole proprietorship. This will be used to calculate an appropriate offer amount based on your assets, income, expenses, and future earning potential. You will have the opportunity to provide a written explanation of any special circumstances that affect your financial situation.

Note: Sole proprietors may include business related taxes incurred under an Employer Identification Number, e.g., Forms 941 and 940, on the same Form 656 used to request compromise of individual income taxes (Form 1040).

Step 3 – Fill out Form 433-B (OIC), Collection Information Statement for Businesses

Fill out Form 433-B (OIC) if the business is a Corporation, Partnership, Limited Liability Company (LLC) classified as a corporation, single member LLC, or other multi-owner/multi-member LLC. This will be used to calculate an appropriate offer amount based on the business assets, income, expenses, and future earning potential. If the business has assets that are used to produce income (for example, a tow truck used in the business for towing vehicles), the business may be allowed to exclude equity in these assets.

Step 4 – Attach Required Documentation

You will need to attach supporting documentation with Form(s) 433-A (OIC) and 433-B (OIC). A list of the documents required will be found at the end of each form. Include copies of all required attachments. **Do not send any original documents.**

Step 5 – Fill out Form 656, Offer in Compromise

Fill out Form 656. The Form 656 identifies the tax years and type of tax you would like to compromise. It also identifies your offer amount and the payment terms.

Step 6 – Include Initial Payment and \$186 Application Fee

Include a personal check, cashier's check, or money order for your initial payment based on the payment option you selected (20% of offer amount or first month's installment).

Include a separate personal check, cashier's check, or money order for the application fee (\$186).

Make both payments payable to the "United States Treasury." All payments must be made in U.S. dollars.

If you meet the Low Income Certification guidelines, the initial payment and application fee are not required.

Step 7 – Mail the Application Package

Make a copy of your application package and keep it for your records.

Mail the application package to the appropriate IRS facility. See page 27, Application Checklist, for details.

If you are working with an IRS employee, let him or her know you are sending or have sent an offer to compromise your tax debt(s).

IMPORTANT INFORMATION

After You Mail Your Application Continue to:

Promptly reply to any requests for additional information within the timeframe specified.

If you selected the option to make monthly payments, you must continue to make the payments during the evaluation of your offer, unless you qualify for the Low Income Certification. Failure to reply timely or make monthly payments may result in the return of your offer without appeal rights.

If your offer is accepted, you must continue to timely file and pay your tax obligations that become due in the future. If you fail to file and pay any tax obligations that become due within the five years after your offer is accepted (including any extensions) your offer may be defaulted. If your offer is defaulted, you will be liable for the original tax debt, less payments made, and all accrued interest and penalties. An offer does not stop the accrual of interest and penalties.

In addition, your offer may be defaulted if you fail to promptly pay any tax debts assessed after acceptance of your offer for any tax years prior to acceptance that were not included in your original offer.

Note: An accepted offer will not be defaulted solely due to the assessment of an individual shared responsibility payment.

Making Your Payment

Include separate checks for the payment and application fee.

Make checks payable to the "United States Treasury" and attach to the front of your Form 656, Offer in Compromise. All payments must be in U.S. dollars. **Do not send cash.** Send a separate application fee with each offer; do not combine it with any other tax payments, as this may delay processing of your offer. Your offer will be returned to you if the application fee and the required payment is not included, or if your check is returned for insufficient funds.

Filing Requirements

- I certify that I have filed all required tax returns.
- I certify that I was not required to file a tax return for the following years:

Section 8 Offer Terms

By submitting this offer, I/we have read, understand and agree to the following terms and conditions:

Terms, Conditions, and Legal Agreement

a) I request that the IRS accept the offer amount listed in this offer application as payment of my outstanding tax debt (including interest, penalties, and any additional amounts required by law) as of the date listed on this form. I authorize the IRS to amend Section 2 on page 1 in the event I failed to list any of my assessed tax debt, or tax debt assessed before acceptance of my offer. I also authorize the IRS to amend Section 2 on page 1 by removing any tax years on which there is currently no outstanding liability. I understand that my offer will be accepted, by law, unless IRS notifies me otherwise, in writing, within 24 months of the date my offer was received by IRS. I also understand that if any tax debt that is included in the offer is in dispute in any judicial proceeding it/they will not be included in determining the expiration of the 24-month period.

IRS will keep my payments, fees, and some refunds.

b) I voluntarily submit the payments made on this offer and understand that they are not refundable even if I withdraw the offer or the IRS rejects or returns the offer. Unless I designate how to apply each required payment in Section 6 page 3, the IRS will apply my payment in the best interest of the government, choosing which tax years and tax debts to pay off. The IRS will also keep my application fee unless the offer is not accepted for processing.

c) The IRS will keep any refund, including interest, that I might be due for tax periods extending through the calendar year in which the IRS accepts my offer. I cannot designate that the refund be applied to estimated tax payments for the following year or the accepted offer amount. If I receive a refund after I submit this offer for any tax period extending through the calendar year in which the IRS accepts my offer, I will return the refund within 30 days of notification.

I understand that the amount I am offering may not include part or all of an expected or current tax refund, money already paid, funds attached by any collection action, or anticipated benefits from a capital or net operating loss.

d) The IRS will keep any monies it has collected prior to this offer. The IRS may levy my assets up to the time that the IRS official signs and acknowledges my offer as pending, which is accepted for processing and the IRS may keep any proceeds arising from such a levy. No levy will be issued on individual shared responsibility payments.

The IRS will keep any payments that I make related to this offer. I agree that any funds submitted with this offer will be treated as a payment unless I checked the box to treat an overpayment as a deposit. Only amounts that exceed the mandatory payments can be treated as a deposit. I also agree that any funds submitted with periodic payments made after the submission of this offer and prior to the acceptance, rejection, or return of this offer will be treated as payments, unless I identify an overpayment as a deposit on the check submitted with the corresponding periodic payment. A deposit will be refundable if the offer is rejected, returned, or withdrawn. I understand that the IRS will not pay interest on any deposit.

Pending status of an offer and right to appeal

e) Once an authorized IRS official signs this form, my offer is considered pending as of that signature date and it remains pending until the IRS accepts, rejects, returns, or I withdraw my offer. An offer is also considered pending for 30 days after any rejection of my offer by the IRS, and during the time that any rejection of my offer is being considered by the Appeals Office. An offer will be considered withdrawn when the IRS receives my written notification of withdrawal by personal delivery or certified mail or when I inform the IRS of my withdrawal by other means and the IRS acknowledges in writing my intent to withdraw the offer.

f) I waive the right to an Appeals hearing if I do not request a hearing in writing within 30 days of the date the IRS notifies me of the decision to reject the offer.

Section 8 (Continued)**Offer Terms**

I must comply with my future tax obligations and understand I remain liable for the full amount of my tax debt until all terms and conditions of this offer have been met.

g) I will comply with all provisions of the internal revenue laws, including requirements to timely file tax returns and timely pay taxes for the five year period beginning with the date of acceptance of this offer and ending through the fifth year, including any extensions to file and pay. I also agree to promptly pay any liabilities assessed after acceptance of this offer for tax years ending prior to acceptance of this offer that were not otherwise identified in Section 2 of this agreement. If this is an offer being submitted for joint tax debt, and one of us does not comply with future obligations, only the non-compliant taxpayer will be in default of this agreement. An accepted offer will not be defaulted solely due to the assessment of an individual shared responsibility payment.

h) I agree that I will remain liable for the full amount of the tax liability, accrued penalties and interest, until I have met all of the terms and conditions of this offer. Penalty and interest will continue to accrue until all payment terms of the offer have been met. If I file for bankruptcy before the terms and conditions of the offer are met, I agree that the IRS may file a claim for the full amount of the tax liability, accrued penalties and interest, and that any claim the IRS files in the bankruptcy proceeding will be a tax claim.

i) Once the IRS accepts my offer in writing, I have no right to challenge the tax debt(s) in court or by filing a refund claim or refund suit for any liability or period listed in Section 2, even if I default the terms of the accepted offer.

I understand what will happen if I fail to meet the terms of my offer (e.g., default).

j) If I fail to meet any of the terms of this offer, the IRS may levy or sue me to collect any amount ranging from the unpaid balance of the offer to the original amount of the tax debt (less payments made) plus penalties and interest that have accrued from the time the underlying tax liability arose. The IRS will continue to add interest, as Section 6601 of the Internal Revenue Code requires, on the amount the IRS determines is due after default.

I agree to waive time limits provided by law.

k) To have my offer considered, I agree to the extension of the time limit provided by law to assess my tax debt (statutory period of assessment). I agree that the date by which the IRS must assess my tax debt will now be the date by which my debt must currently be assessed plus the period of time my offer is pending plus one additional year if the IRS rejects, returns, or terminates my offer or I withdraw it. (Paragraph (e) of this section defines pending and withdrawal.) I understand that I have the right not to waive the statutory period of assessment or to limit the waiver to a certain length or certain periods or issues. I understand, however, that the IRS may not consider my offer if I refuse to waive the statutory period of assessment or if I provide only a limited waiver. I also understand that the statutory period for collecting my tax debt will be suspended during the time my offer is pending with the IRS, for 30 days after any rejection of my offer by the IRS, and during the time that any rejection of my offer is being considered by the Appeals Office.

I understand the IRS may file a Notice of Federal Tax Lien on my property.

l) The IRS may file a Notice of Federal Tax Lien during the offer investigation. The IRS may file a Notice of Federal Tax Lien to protect the Government's interest on offers that will be paid over time. This tax lien will be released when the payment terms of the accepted offer have been satisfied. The IRS will not file a Notice of Federal Tax Lien on any individual shared responsibility debt.

Correction Agreement

m) I/We authorize IRS, to correct any typographical or clerical errors or make minor modifications to my/our Form 656 that I/We signed in connection to this offer.

I authorize the IRS to contact relevant third parties in order to process my offer

n) By authorizing the IRS to contact third parties, I understand that I will not be notified of which third parties the IRS contacts as part of the offer application process, including tax periods that have not been assessed, as stated in section 7602 (c) of the Internal Revenue Code. In addition, I authorize the IRS to request a consumer report on me from a credit bureau.

I am submitting an offer as an individual for a joint liability

o) I understand if the liability sought to be compromised is the joint and individual liability of myself and my co-obligor(s) and I am submitting this offer to compromise my individual liability only, then if this offer is accepted, it does not release or discharge my co-obligor(s) from liability. The United States still reserves all rights of collection against the co-obligor(s).

Shared Responsibility Payment (SRP)

p) If your offer includes any shared responsibility payment (SRP) amount that you owe for not having minimum essential health coverage for you and, if applicable, your dependents per Internal Revenue Code Section 5000A – Individual shared responsibility payment, it is not subject to penalties or to lien and levy enforcement actions. However, interest will continue to accrue until you pay the total SRP balance due. We may apply your federal tax refunds to the SRP amount that you owe until it is paid in full.
